

# SPIN SCREED®

## Spin Screed® Gas Power Head

- World's first lightweight power roller screed
- Keeps aggregate near the top to produce flatter, more durable concrete surfaces
- Lightweight design saves you time, effort, and is convenient to use
- Simple design with rugged gearbox produces plenty of torque to power any Spin Screed® tube
- Gas powered assembly comes with a Honda GX35 4 Stroke Engine, live and dead ends, and a dead-end T-handle
- Power Unit Only (SPNRSSGAS) does not include live and dead ends or dead end T-handle
- Pair these tools with forms and our Screed Support System for maximum flatness
- Spin Screed® Pipes sold separately
- Made in the USA with Global Materials

## Spin Screed® Pipes

- Seamless aluminum alloy pipe
- Various sizes that can be easily cut down to specific lengths for special jobs

EDI	Part#	Description
28767	SPNP4	4ft. (1.2M) Tube
28765	SPNP6	6ft. (1.8M) Tube
28763	SPNP8	8ft. (2.4M) Tube
28761	SPNP10	10ft. (3.0M) Tube
28759	SPNP12	12ft. (3.7M) Tube
28757	SPNP14	14ft. (4.3M) Tube
28755	SPNP16	16ft. (4.9M) Tube
28753	SPNP18	18ft. (5.5M) Tube
28751	SPNP20	20ft. (6.1M) Tube
28750	SPNP22	22ft. (6.7M) Tube

29592

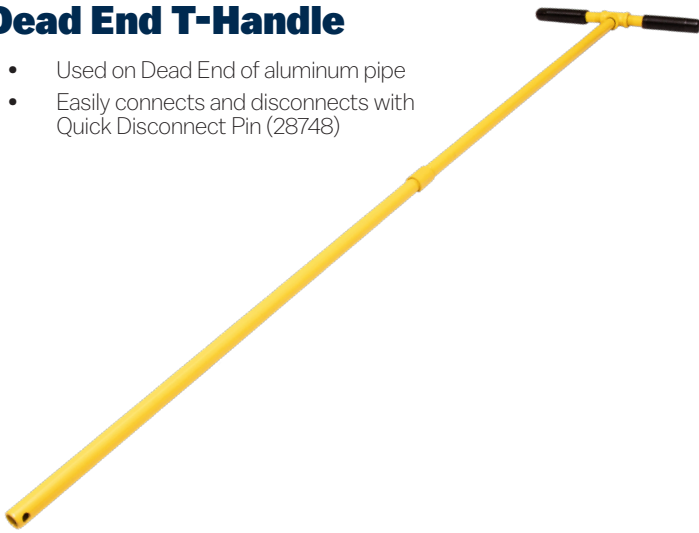

EDI	Part#	Description
29587	SPNRSSGAS	Gas-Powered Spin Screed® - Power Unit Only
29592	SPNRSSAGAS	Gas-Powered Spin Screed® w/Live End, Dead End, and Live End T-Handle

### Replacement Parts

EDI	Part#	Description
29588	29588	Replacement Gearbox
29589	29589	Throttle Lever Replacement
29590	29590	Engine Switch Replacement
29591	29591	Axle Assembly Replacement
29593	29593	PTO Cover Replacement
29594	29594	Throttle Cable Replacement

## Dead End T-Handle

- Used on Dead End of aluminum pipe
- Easily connects and disconnects with Quick Disconnect Pin (28748)

EDI	Part#	Description
28698	SPNDH	Dead End T-Handle

## Wall Hugger Insert & Circular Pour Pivot Point Adapter

- Wall Hugger Insert can be installed on any Spin Screed® aluminum pipe so that concrete/epoxy mix can be screeded within 3/8" of existing wall
- Circular Pour Pivot Point Adapter is used on circular pours, attaches to Spin Screed® Dead End

EDI	Part#	Description
28730	SPNWHI	Wall Hugger Insert
28732	SPNPPA	Circular Pour Pivot Point Adapter

## Gutter & Water Channel Builders

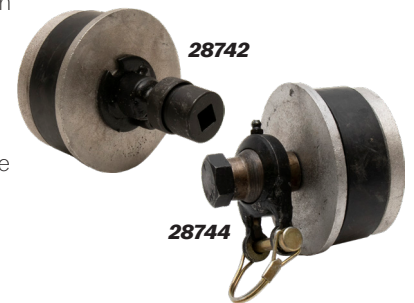

EDI	Part#	Description	Gutter Width - ft.	Center Drop - in.
28736	SPNIDOT	Illinois DOT Gutter Builder	3	3
28737	SPNGB42	Gutter Builder	4	2
28738	SPNGB63	Large Gutter Builder	6	3
28739	SPNGB66	Big Valley Gutter Builder	6	6

EDI	Part#	Description	Channel Width - ft.
28735	SPNWCB	Water Channel Builder	4

## Live & Dead End Pipe Adapters

- Used on either side of Spin Screed® aluminum pipe
- Live End Pipe Adapter used on end with Spin Screed® Power Unit
- Dead End Pipe Adapter used on end with T-Handle or Rope Quick Coupling

EDI	Part#	Description
28742	SPNLE	Live End Pipe Adapter
28744	SPNDE	Dead End Pipe Adapter
28728	SPNLDE	Set of Live & Dead Ends (1)

## Quick Disconnect Pin

- Used on Dead End of Spin Screed® allowing the T-Handle to stay fastened securely

EDI	Part#	Description
28748	SPNQDP	Quick Disconnect Pin
